

Rid`n on the Wave of Love

Joy Davis © 2002

Chorus:

Rid'n on a wave of God's love baby, rid'n on a wave of love
Cruis'n with a power that knows no maybe, rid'n on a wave of love

Verse 1:

In a flash and a zoom, all the doors open wide, it is truly my day
When my will is aligned with God's, nothing can stand in my way!
Oo ooo *don,t it just feel fine!*

Oooo, the power when our wills align with divine!

Chorus:

Rid'n on a wave of God's love baby, rid'n on a wave of love
Cruisin' with a power that knows no maybe, rid'n on a wave of love

Verse 2:

When I stood at the edge of change, I said no thanks to this.
I couldn't see possibilities when I gazed in the abyss.
Now I know when the ground opens wide, it is life giving me a kiss!

Chorus:

Rid'n on a wave of God's love baby, rid'n on a wave of love
Cruis'n with a power that knows no maybe, rid'n on a wave of love

Verse 3:

Say goodbye to the things in life I thought would fix it all
Keep repeatin' "Thank-you God" every time I hit the wall
'Cause I believe that what God has in mind, makes all of my plans seem small

ooo oo *don't it just fell fine!*

Oooo the power when our wills align, with divine!

Ridn on the wave of gods love Baby rid'n on the wave of love
Crusin' with a power that knows know maybe

Rid'n on the wave of Love
Rid'n on the wave of Love!
